RESPONSE TO RESTRICTION/ELECTION REQUIREMENT

Dear Sir:

In response to the Restriction/Election Requirement mailed on May 6, 2005,  
Applicant respectfully submits this response.

Initially, Applicant notes that there were 35 claims, not 33, filed in this application as noted on the transmittal sheet that accompanied the filing of the application. Claims 1-32 are the structure claims while claims 33-35 are the method claims. Applicant therefore assumes that the enumeration of the claims in the restriction is incorrect. It is assumed that Group 1 is drawn to claims 1-32 and Group 2 is drawn to claims 33-35.

- Applicant provisionally elects the claims of the group identified by the Examiner as Group 1, claims 1-32, drawn to a thermally stabilized device for further prosecution at this time.

All claims 1-35 are believed to be in allowable condition and such allowance is respectfully requested at the Examiner's earliest convenience. The Examiner is cordially invited to contact the undersigned if there are any questions about this application or response.

Respectfully submitted,

---
